ANNUAL REPORT
OF THE
TOWN OFFICERS
OF THE
Town of Millbury

For the Year Ending December 31st

1946

In Memoriam

During the past year death has claimed three former town officials.

CHARLES E. HORNE

Died September 13, 1946 at the age of 73 years. Known far and wide as a general road contractor he had resided in Millbury 72 years. He had built roads throughout New England and built the first tarvia road in Worcester County and also patented the first machine to apply the tar. He served as selectman two years and also served on many committees that benefited this town.

DENNIS A. DONOVAN

Died in his home at 9 Pearl Street, October 30, 1946. He was founder of the D. A. Donovan Confectionery store and had been in business nearly 50 years. He served on the Finance Committee many years as well as several other committees.

WILLIAM H. MURPHY

Died November 7, 1946 in St. Vincent Hospital. He was born here and had been a lifelong resident. He served as chairman of the Finance Committee several years and during World War II was a member of the Rationing Board. He served as Secretary of the Wachusett Mountain State Reservation from 1939 until his death.

Town Warrant

WORCESTER, SS.

To either of the Constables of the Town of Millbury, in the County of Worcester, Greeting:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Millbury qualified to vote in elections and town affairs to meet at the Town Hall, in said Millbury, on Monday, the 3rd day of February, next, at fifteen minutes of six o'clock in the forenoon, to elect the following officers, to wit:

Article 1. To choose a Town Clerk, Treasurer, Collector of Taxes, Auditor, Moderator, Six Constables, Tree Warden, Highway Surveyor, and three members of the Board of Selectmen, all for the term of one year: one member of the School Committee, one Assessor, one member of the Board of Health, Trustee of the Town Library, one Commissioner of Cemeteries, and one member of the Board of Public Welfare, all for the term of three years; all to be voted for on one ballot.

Article 2. To choose all other necessary Town Officers for the year ensuing.

And to meet on February 10, 1947 at 7.30 p. m., at the Town Hall, in said Millbury, to act on the following articles, to wit:

Article 3. To hear the reports of several Town officers and Committees and act thereon.

Article 4. To raise and appropriate such sums of money as may be necessary to defray Town charges for the year ensuing, including sums for the lighting of streets, the maintainance of the Town Library, the observance of Memorial Day, care and improvement of cemeteries, care of clocks, care of fire alarm, the use of the Tree Warden, the use of the Department of Veterans' Services, salaries of Fire Department, and Police Retirement Pensions, or take any action thereon.

Article 5. To determine the time when all taxes shall be payable and make regulations concerning the payment of same.

Article 6. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1947, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 7. To see if the Town will authorize the Selectmen to employ counsel in any suit that may be brought against the Town.

Article 8. To choose any committee or committees that may be thought necessary.

Article 9. To see what action the Town will take regarding the hiring of two or more policemen to patrol our streets and raise and appropriate money for same, or take any action thereon.

Article 10. To see if the Town will vote to authorize the Selectmen to sell, after first giving notice of the time and place of sale by posting such notice of sale in some convenient and public place in the Town fourteen days at least before the sale, property taken by the Town under tax title procedure provided that the Selectmen or whomsoever they may authorize to hold such public auction may reject any bid which they deem inadequate, or take any action relative thereto.

Article 11. To see if the Town will raise and appropriate a sum of money to provide for extraordinary or unforeseen expenditures under the provisions of Chapter 40, Section 6, of the General Laws of Massachusetts, to be known as the reserve fund, or take any action thereon.

Article 12. To see if the Town will raise and appropriate the sum of \$4000, for the year's rental of the accommodation at the Assumption School now used by the Millbury School Department, or take any action thereon.

Article 13. To see if the Town will raise and appropriate a sum of money to be expended by the School Committee for the employment of a Custodian and for other expenses for the maintainance of the Windle Field, or take any action thereon.

Article 14. To see if the Town will vote to raise and appropriate the sum of \$150, to be expended by the Board of Selectmen for eye-glasses for underprivileged children, or take any action thereon.

Article 15. To see if the Town will appropriate \$50, to be paid to the Trustees for County Aid to Agriculture, in accordance with the provisions of and for the purpose of, Chapter 128, General Laws, or for the support of Demonstration work in Agriculture, Home Economics, or Boys' and Girls' Club Work, under the direction of the Agent, or Instructors, or the Trustees co-operating with the Local Town Director, or pass any vote or votes in relation thereto.

Article 16. To see if the Town will vote to raise and appropriate a sum of money to be expended by the Board of Public Welfare, for the purpose of Chapter 413 of the Acts of 1936, and acts in amendment thereto, entitled "Aid to Dependent Children" or take any action thereon.

Article 17. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money for the general municipal purposes under authority of, and in accordance with, the provisions of Chapter 49, of the Acts of 1933 and amendments thereto, or take any action thereto.

Article 18. To see if the Town will vote to raise and appropriate a sum of money for the printing of the Annual Town Reports, so that an itemized list of expenditures under each appropriation will be shown therein, or take any action thereon.

Article 19. To see if the Town will raise and appropriate a sum of \$750, to be paid the Millbury Society for District Nursing, or take any action thereon.

Article 20. To see if the Town will vote to raise and appropriate a sum of money to maintain the Town Dump under the supervision of the Board of Health, or take any action thereon.

Article 21. To see if the Town will vote to raise and appropriate the sum of \$500, to be used by the Selectmen to settle claims for personal property damage or incidental personal injury claims that may be brought against the Town, or take any action thereon.

Article 22. To see if the Town will vote to raise and appropriate a sum of money to be expended by the Treasurer for filing Fees and the necessary expenses of foreclosing certain Tax Titles now held by the Town, through Land Court Procedure, or take any action thereon.

Article 23. To see if the Town will vote to raise and appropriate a sum of money for Registrars of Voters for canvassers, supplies, salaries of Registrars and Clerk, printing, and clerical hire, necessary to carry out the work required under the provisions of Chapter 540 of the Acts of 1938, or take any action thereon.

Article 24. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Highway Maintenance, or take any action in relation thereto.

Article 25. To see if the Town will vote to raise and appropriate, or transfer from unappropriated available funds in the treasury, a sum of money for Chapter 90 Highway Construction, or take any action in relation thereto.

Article 26. To see if the Town will vote to raise and appropriate the sum of \$6000 to construct a concrete-sidewalk on the westerly side of Millbury Avenue from the junction of Millbury Avenue and Howe Avenue (known as the "Triangle") to Croyden Street, or take any action thereon.

Article 27. To see if the Town will raise and appropriate the sum of \$5,500, for the construction of a granolithic sidewalk and curbing on the south side of Grafton Street, to extend from Riverlin Street to the property of Fred Goodell, or take any action thereon.

Article 28. To see if the Town will raise and appropriate the sum of \$10,000, for the construction of a granolithic sidewalk on West Main Street to extend from a point opposite the West End Thread Company to Single-tary Nook, or take any action thereon.

Article 29. To see if the Town will vote to appropriate a sum of money for the Construction of a sidewalk on the

school side of Millbury Avenue from the Dorothy Manor School running North to Croyden Street for the safety and welfare of the children and the community in general, under the supervision of the Selectmen, or take any action thereon.

Article 30. To see if the Town will vote to raise and appropriate a sum of money to place a wire railing on both sides of the bridge on Sycamore Street, near the residence of Edmund Larson, or take any action thereon.

Article 31. To see if the Town will raise and appropriate a sum of money to install four (4) electric lights on Elmwood Street from the residence of Hazel Bordeaux to Beach Street, or take any action thereon.

Article 32. To see if the Town will vote to raise and appropriate a sum of money to install a light on pole No. 3 on Oakes Street, or take any action thereon.

Article 33. To see if the Town will appropriate a sum of money to install two lights on Highland Avenue, or take any action thereon.

Article 34. To see if the Town will vote to contract with the Massachusetts Water Works Company to install three hydrants on Grafton Street, beginning at the Power Station and going toward the Millbury-Grafton Town Line, the last hydrant to be near the home of Francis Morin, said installation to be under the supervision of the Board of Fire Engineers, or take any action thereon.

Article 35. To see if the Town will vote to contract with the Massachusetts Water Works Company to install a hydrant at a point approximately one thousand feet beyond the point known as "Gordon's Corner" toward Millbury Avenue on Wheelock Avenue under the supervision of the Board of Fire Engineers, or take any action thereon.

Article 36. To see if the Town will raise and appropriate a sum of money to widen the road at the junction of Grafton and Cross Streets, on the northerly side of Grafton Street, in the Town of Millbury, thus eliminating the narrow road on the curve which now constitutes a public hazard, this work to be done under the supervision of the Highway Department, or take any action thereon.

Article 37. To see if the Town will vote to raise and appropriate a sum of money to widen Grafton Street five feet, beginning at the New England Power Company and extending to the Grafton Town Line, and to straighten four curves in said road, or take any action thereon.

Article 38. To see if the Town will vote to raise the hourly rate of all Town employed labor from Seventy-five (\$0.75) cents, to One (\$1.00) dollar per hour, and time and a half for any labor over forty hours a week, or take any action thereon.

Article 39. To see if the Town will vote to authorize the Highway Surveyor to hire eight permanent men for labor, and pay these men a minimum of forty hours per week, or take any action thereon.

Article 40. To see if the Town will raise and appropriate the sum of \$5,000 to be expended by the Board of Health or a committee to hire competent advice to provide a suitable plan for the disposal of sewerage in this Town, said plan to include the cost, advisability, and location of said plant, or take any action thereon.

Article 41. To see what action the Town will take relative to the erection of a Memorial Building for the Veterans of the Town of Millbury on a plot of land owned by the Town, near the Town Library, and the appropriation or transfer, from available funds now in the treasury, of a sum of money for this purpose, or take any action thereon.

Article 42. To see if the inhabitants of the Town of Millbury will sell to the Massachusetts Department of Public Works, for the sum of \$1,000.00, the land shown on plan entitled plan of Parcel of Land in Millbury occupied by Commonwealth of Massachusetts, Department of Public Works, or take any action thereon.

Article 43. To see if the Town of Millbury will appropriate a sum of money to build a drain at the corner of West and River Streets, and to discontinue the drain now on the Felters' property, or take any action thereon.

Article 44. To see if the Town will vote to increase the present salary of the Chief of Police from \$2400.00 to \$3000.00, or take any action thereon.

Article 45. To see if the Town will vote to accept the street known as Horne Street, as shown on the plan of land recorded with Worcester District Registry of Deeds, Book 143, Page 17, or take any action thereon.

Article 46. To see if the Town will vote to abolish the office of Highway Surveyor and to elect in his stead three Highway Commissioners for the term of three years, said change to take effect at the annual election of Town Officers for the year 1948, or take any action thereon.

Article 47. Shall the Town raise and appropriate the sum of \$35,000 to be expended by the Selectmen and Finance Committee, and, if deemed advisable, by a committee, either or both, to act for and in behalf of the town, to select and purchase highway machinery, trucks, snowplows, tools, etc., which shall be purchased for delivery at the discretion of the said agents of the town, at a date not later than February, 1948, and to empower said agents to act in behalf of the town in any and all matters pertaining to the expenditure of this appropriation, without further instruction or recourse to any town meeting, unless so deemed necessary by them, or take any action thereon.

Article 48. To see if the Town will raise and appropriate the sum of \$200.00 to be expended under the supervision of the moderator for stenographic services and other expenses rightfully connected with this office or take any action thereon.

Article 49. To see if the Town will vote to amend, revise, or add to the Town By-Laws as follows:

a) By inserting under Article 3 of said by-laws the following new sections:

Section 7. The Selectmen shall cause to be established at our annual town meeting a check list which shall exclude all persons except those whose names shall appear on our official list of voters as furnished by the town clerk, and those who may receive permission of the assembly by a majority vote. Further the Selectmen shall upon the request in writing by the moderator or the chairman of the Finance Committee or a petition signed by fifteen registered voters cause

to be established such a check list at any special meeting called by them thereafter.

Section 8. The moderator shall provide for the employment of a public stenographer, and shall request and provide for a budget each year for such services as shall be required by this section.

b) By adding to Section 6 of Article 4 the words "for distribution to the tax-payers of the Town".

c) By striking out Section 2 of Article 1 in its entirety.

d) By inserting under Article 5 the following new section:

Section 6. The Finance Committee shall cause to be printed for distribution to all registered voters of the Town a complete report of their recommendations on the annual budget of probable expenditures for the ensuing year and on all articles contained in any and all warrants for any annual Town Meeting and for any special town meetings hereafter issued.

Article 50. To see if the Town will appropriate a sum of money to gravel the surface of Hollywood Avenue from Park Hill Avenue to Highland Avenue, or take any action thereon.

Article 51. To see if the Town will accept Alpine Street as a public street, or take any action thereon.

Article 52. To see if the Town of Millbury will accept as a public highway that portion of Lincoln Avenue Extension from the crossing to a stone wall beyond the residence of Anthony A. Garriepy, or take any action thereon.

Article 53. To see if the Town will vote to raise and appropriate, or transfer from available funds in the Town Treasury, the sum of \$1300.00 to meet the increased cost in purchase price of the new Austin-Weston grader, or take any action thereon.

Article 54. To see if the Town will vote to raise and appropriate, or transfer from available funds in the Town Treasury, the sum of \$11,000.00 to meet the increase in the cost of construction of the new Fire Station, or take any action thereon.

The polls will be open at 5.45 A.M. and may be closed at 4:00 o'clock P.M .

And you are directed to serve this warrant by posting up an attested copy thereof at each of the Post Offices and at the First Congregational Meeting House in Bramanville, and at the Fire Station located on Wheelock Avenue, East Millbury, and at Ruskin's Store at Dority Pond, and at Johnson's Store on Johnson Street, in said Town, seven days at least before the time of holding said meeting.

HEREOF fail not and make return of this Warrant with your doings thereon to the Town Clerk at the time and place aforesaid.

Given under our hands this twenty-second day of January in the year one thousand nine hundred and forty-seven.

LAWRENCE ARMY

NAPOLEON CREPEAU

Selectmen of Millbury.

WILLIAM A. ROBERTS

Report of Selectmen

To the Citizens of the Town of Millbury :

Your Selectmen herewith present the reports of the various Town Officers for the year ending December 31, 1946.

We wish to take this opportunity to express our sincere thanks and appreciation to all Town Officers and Departments for their co-operation and valuable assistance during the past year, and to commend them on their efficient administration of their various offices and departments.

Your Selectmen wish to report that during the past year the Ration Board furniture and equipment was re-allocated to various departments badly in need of new equipment thus resulting in a substantial saving to them and to the Town.

The Civilian Defense equipment and alarm systems have been removed from their former locations and have been placed in storage for future use or disposal.

All necessary work on the Town Hall Building to comply with the Department of Public Safety regulations has been completed with the exception of the installing of safety hardware which cannot be secured at this time due to manufacturing shortages. The fire apparatus will be removed from the Town Hall quarters as soon as a suitable building for its use has been erected.

We wish to express our deepest sympathy to the families of the late William H. Murphy, former chairman of the Finance Committee, Charles E. Horne, former member of the Board of Selectmen, and Dennis A. Donovan, a former member of the Finance Committee.

Respectfully submitted,

WILLIAM A. ROBERTS,
NAPOLEON CREPEAU,
LAWRENCE ARMY.

Board of Selectmen.

Report of Auditor

Millbury, Mass., January 18, 1947.

I hereby respectfully submit my Annual Report of the Cash Receipts and Expenditures, Financial Report and Appropriation Balances for the year ending December 31, 1946.

Yours respectfully,

JAMES J. CASSIDY,
Auditor.

Report of the Board of Health

December 31, 1946.

To the Honorable Board of Selectmen:

We hereby present the annual report of the Board of Health for the year of 1946 of which there were:

Chicken Pox	104
Dog Bite	18
German Measles	3
Lobar Pneumonia	4
Measles	163
Mumps	15
Scarlet Fever	11
Whooping Cough	33
Meningitis Meningococcali	2

On January 1, 1946 we had one (1) patient in the West Boylston Sanatorium, six (6) were admitted, one (1) died, two (2) have been discharged and one (1) was turned over to the Veterans' Administration. We have had clinics for children and we had many of them X-rayed at the Sanatorium; we also had clinics for the care of teeth of school children.

Please remember that in order to have the Board of Health investigate a complaint, it is necessary to have said complaint in writing, signed by the complainant and mailed to the Board of Health.

All contagious diseases must be reported whether you have a doctor or not.

We greatly appreciate the co-operation you parents have given us during the past year.

Yours truly,

Millbury Board of Health,

A. A. BROWN, M.D.,

M. M. HENNEBERY, M.D.,

LOUIS H. BALLARD,

Clerk.

Report of Engineers of the Fire Department

To the Board of Selectmen:

The Engineers appointed by your board met and organized as follows:

William D. Horne—Chief.

Joseph E. Army—First Assistant and Clerk.

Richard F. Gillert—Second Assistant.

During the year Number 1 Company answered 49 bell alarms, 13 still alarms and 40 false alarms. Number 2 Company answered 37 bell alarms, 26 still alarms and 25 false alarms. Number 3 Company answered 3 bell alarms. Many of these false alarms were sounded when the war was declared at an end.

Our fire loss is as follows:

Value of buildings	\$936,500 00
Loss on buildings	3,875 00
Insurance on buildings	780,000 00
Insurance paid on buildings	3,661 00
Value of contents	10,300 00
Loss on contents	2,310 00
Insurance on contents	10,500 00
Insurance paid on contents	1,650 00

The equipment of the Fire Department consists of the following:

Number 1 Company—One American LaFrance triple combination 750 gallon pumper, 2,100 feet of 2½ inch hose, 200 feet of 1½ inch hose, 100 feet ¾ inch booster pump hose, one 2½ inch double gate, one 1½ inch double gate, four nozzles for 2½ inch hose, two 1½ inch nozzles, 75 feet of ½ inch hose, two oil lanterns, 3 electric lanterns, two rubber blankets, 14 rubber coats, 14 helmets, 2 acid chemicals, three pump cans, one inhalator, one axe, one C. O. 2 extinguisher, one first aid kit and two sets of right and left couplings.

Number 2 Company—One American LaFrance triple combination 750 gallon pumper, 2,950 feet of 2½ inch hose,

950 feet of $1\frac{1}{2}$ inch hose, 200 feet of $\frac{3}{4}$ inch booster pump hose, two $2\frac{1}{2}$ inch double gates, one $1\frac{1}{2}$ inch double gate, four $2\frac{1}{2}$ inch nozzles, two $1\frac{1}{2}$ inch nozzles, one fog nozzle, two rubber blankets, 15 rubber coats, 15 helmets, five $2\frac{1}{2}$ gallon acid extinguishers, one C. O. 2 extinguisher, one deck gun, one first aid kit, one gas mask, three axes, 5 electric lights, one cable cutter, 50 pounds of soda, 3 gallons of acid, one pump can, one crow-bar, one door opener, two sets of $2\frac{1}{2}$ inch right and left couplings, one plaster nozzle, one pipe pole, 4 hydrant wrenches, one cellar pipe and one gas shut-off wrench.

Number 3 Company—One Stewart combination truck, 950 feet $2\frac{1}{2}$ inch hose, 200 feet $1\frac{1}{2}$ inch hose, two $2\frac{1}{2}$ gallon extinguishers, one foamite extinguisher, one $2\frac{1}{2}$ inch gate, one $1\frac{1}{2}$ inch gate, 3 electric lights, 8 pump cans, 5 rubber coats, 1 axe, one $2\frac{1}{2}$ inch nozzle, one $1\frac{1}{2}$ inch nozzle, 5 pounds of soda, and one gallon of acid.

Number 2 and Number 3 Company have a station house. Number 1 is still located in the Town Hall building, also the fire alarm system. We are in hopes of vacating to our new quarters on Elm Street. All stations and apparatus are in good condition.

Each Company consists of 12 regular men, two substitutes. The engineers have visited hotels, taverns and rest homes for fire inspection and found them in good condition.

Last year the town voted to purchase a ladder truck which has been bought and waiting for delivery. The town also voted to erect a new station on land purchased on Elm Street. A committee was appointed and had plans made for the building. Bids were received, but owing to the rise in cost of material and labor, were unable to start building. The committee has now let out new bids for the erection of a building, the second floor to be unfinished until later when materials will be more plentiful and cheaper. We are in hopes that the townspeople will grant us enough money to erect the building we are now asking for, as we have been ordered out of the Town Hall by the State Inspector and will have to make room for the new ladder truck.

We have had a very small fire loss this year which

proves the people are more fire-minded. We are in hopes this will continue the coming year.

Respectfully submitted,

WILLIAM D. HORNE,
JOSEPH E. ARMY,
RICHARD F. GILLERT,
Board of Fire Engineers.

REPORT OF THE FOREST FIRE WARDEN

To the Board of Selectmen:

The Department consists of one Warden and six Deputies. This year I have been called to 46 Brush Fires, 36 Grass Fires and 3 Dump Fires. None were very serious.

For equipment, I have on hand, 27 ($2\frac{1}{2}$) gallon acid extinguishers, 21 water pump cans, 6 rakes, 25 pounds of soda and $\frac{1}{2}$ carboy acid.

We have had a number of grass fires which could have been serious, caused from poor incinerators. Be sure your incinerator is in good condition and well covered. Do not place it where sparks can ignite dry grass. Be sure you secure a permit before you do any burning.

Respectfully submitted,

WILLIAM D. HORNE,
Forest Fire Warden.

Report of the Board of Public Welfare

Millbury, Mass., December 31, 1946.

To the Selectmen of the Town of Millbury:

For details of the expenditures and reimbursements of this department see Auditors' report.

The report of the Charlton Home Farm Association will be found on another page of this book.

During the year a total number of 258 cases representing 384 persons in all categories were aided.

TEMPORARY AID:

- 47 cases with Millbury Settlements
- 12 cases with No Settlement (State)
- 6 cases with Out-of-Town Settlements
- 6 cases with Millbury Settlements living elsewhere

OLD AGE ASSISTANCE:

- 124 cases with Millbury Settlements
- 24 cases with No Settlement (State)
- 14 cases with Out-of-Town Settlements
- 13 cases with Millbury Settlements living elsewhere

AID TO DEPENDENT CHILDREN:

- 12 cases representing 38 persons.

Yours truly,

ALBERT F. DESPARD, *Chairman*,

DONALD R. PERKINS, *Clerk*,

RAYMOND M. STEWART,

JOHN W. HIGGINBOTTOM,

THIRBURSE J. MILLOTT.

ROBERT F. TUCKER, *President,*

LESTER P. GATES, *Secretary and Treasurer.*

Report of Highway Surveyor

Millbury, Mass., January 4, 1947.

To the Honorable Board of Selectmen:

I hereby submit my annual report as Highway Surveyor for the year 1946.

In executing the obligations of my position, I have endeavored to maintain an efficient administration and have expended to the best of my ability the appropriations allotted the Highway Department.

Now that oil products have been released from war time rationing, excellent materials necessary for road repairing are again plentiful. Due to the sharp rise in prices, the 1946 appropriation was expended before all roads received proper attention. Nevertheless, we were able to patch many roads and to oil the following streets with either tar or asphalt as conditions required. Most of the streets required an extra heavy application due to the inferiority of the materials which were available for road repairs during the war.

West Main Street	4/5	mile
McGrath Road	1/2	"
Ramshorn Road	1/5	"
North Oxford Road	1	"
Stowes Road	2/5	"
Auburn Road	4/5	"
Greenwood Street	3/5	"
Carlton Road	1/10	"
Johnson Street	1/5	"
Park Hill Road	1/2	"
Martin Street	2/5	"
Highland Street	1/5	"
Orchard Street	1/5	"
Grafton Street	3/10	"
East Millbury, Wheelock Ave.	7/10	"
Millbury Avenue	4/5	"

Many of the sidewalks damaged by frost heave have been repaired, and also those fences for which we could obtain materials. Cross Street bridge has been newly rebuilt, as this bridge was unsafe for further use.

This year we were able to repair many of the catch basins and to install new drainage under state specifications at the three following places and 12 inch cement pipe was used.

Approximately 1100 feet with three new catch basins on West Main Street.

Approximately 600 feet on Park Hill Avenue, which was needed very much.

A new catch basin at the corner of Wheelock Avenue and Millbury Avenue.

A considerable amount of brush has been cleared from the edges of North Oxford Road, Auburn Road, and Greenwood Street.

All equipment has been inspected and repairs were made as necessary. A new road hone was built. The 12-ton Austin Roller has been put in excellent condition by being completely overhauled and having a new motor installed. The Ingersoll Rand Compressor and truck have been completely overhauled, as have the three power sanders. Although the Austin Western Grader was kept in running condition, it was rather costly because of its age and the fact that replacements had to be made to order.

This past year the Town of Millbury contracted the job of Chapter 90, Construction, of a new road to be built on the further end of Riverlin Street. This calls for a 20-foot surfaced road with 3-foot shoulders and 5-foot shoulders where fences are required. The top of the road calls for a foot of gravel with a 2-inch hard surface. The clearing of the land, cuts, fills, and removal of ledge have been completed and the foot of gravel has been laid. The Town was able to do the construction at a much lower cost than if it had been done by a private contractor, therefore enabling the Town to complete approximately 800 feet more than called for in the contract. The completion of the surfacing of this road will be done at the earliest possible date. The cost of this construction to the Town will be only \$5,000.00, whereas the total cost of construction will be \$20,000.00, consisting of the \$5,000.00 appropriated by the Town, \$5,000.00 from the County, and \$10,000.00 from the State.

Due to the rising cost of materials, and labor, I feel that there should be an increase in the appropriations for repairs and improvements of our permanent roads.

The Highway Department greatly appreciates the assistance and cooperation of all Town Officials.

Respectfully submitted,

LEVI J. CHASE,
Highway Surveyor.

Report of Millbury Public Library

To the Trustees:

I give you the following as my Annual Report as Librarian of the Millbury Public Library.

The Library has been open 270 days during the year, and books bought during the year totaled 731.

The classification of circulation was as follows:

Fiction	23,862	Non-Fiction	2,196
Juvenile	6,798	Magazines	1,711

the total circulation for the year is 34,567.

I wish to express my grateful appreciation for the following generous gifts:

The Millbury Woman's Club—Book Case and Books.
Book on Fishing in memory of Walter White—by his family.

Book in memory of Mrs. Lucy Merrill—by the Millbury Grange.

Books—Mrs. Mary Dana.

Books—Mrs. Robert Curtis.

Books—Miss Lauribel Armsby.

Coronet, Saturday Evening Post, Children's Activities—Mr. Alfred F. Sweet, Singletary Road.

Times—Dr. Angell.

Decorations for the Library—Miss Ellen Leary and Mrs. C. P. MacDuff.

Honor certificates were given to pupils of the elementary grades who read twenty books from the State Certificate reading list.

These certificates were given to the pupils at a party held in the High School Building at which a miscellaneous program was given by the children.

(Signed)

LAURA E. PALETTA.

Librarian.

The Trustees wish to express their appreciation to the librarians, to the Woman's Club and citizens for the many gifts donated, and to the teachers for their splendid co-operation and assistance.

Respectfully submitted,

M. PEARL LACOUTURE,
ARTHUR W. SNOW,
DENNIS L. KELLIHER.

Trustees.

Report of Tree Warden, Gypsy Moth and Elm Beetle Superintendent

Millbury, Mass., December 31, 1946.

To the Selectmen of the Town of Millbury:

I hereby submit my report as the Tree Warden, Gypsy and Brown Tail Moth and Elm Beetle Superintendent of the Town of Millbury.

We have taken down a large number of trees and set out many new ones.

The Gypsy Moth Nests have increased in all sections of the Town.

Brown Tail Moths were very numerous the past year.

The Elm Beetles also have doubled over the year.

The hurricane damaged a large number of our beautiful shade trees, and there is much trimming to be done and many trees to be taken down.

Respectfully submitted,

EDWARD F. ROACH,

Tree Warden.

STEPHEN F. BELLVILLE,

Collector of Taxes.

Veterans' Service Department

December 31, 1946.

To the Honorable Board of Selectmen:

As Director of the Department of Veterans' Services in the town of Millbury, I hereby submit my report of activities and services rendered from May 1, 1946, the date that this Department was established, through December 31, 1946.

For details of expenditures and reimbursements of this Department see the auditor's report.

1550 Visits to the center by Veterans or their dependents seeking various information pertaining to their rights and benefits.

- 455 Applications for Terminal Leave have been notarized and filed.
- 175 Applications for the Massachusetts State Veterans' Bonus have been filed.
- 526 Discharges have been officially recorded.
- 880 Photostatic copies of discharge papers have been made without cost to our veterans.
- 13 Claims for service connected disability have been filed.
- 39 Veterans have been placed in various industrial and non-industrial establishments throughout the town.
- 9 Businesses have been aided in setting up training programs for Veterans.
- 119 Applications for Certificates of Eligibility for school or training under Public Law 346 (G. I. Bill) have been filed.
- 36 Cases representing 86 Veterans or their dependents were aided.
- Soldiers' Relief:
 - 25 Cases with Millbury settlements.
- Military Aid:
 - 5 Cases with Millbury settlements.
- War Allowance:
 - 4 Cases with Millbury settlements.
- State Aid:
 - 2 Cases with Millbury settlements.

In addition to the above we have assisted several home owners in obtaining building priorities enabling them to convert unused space into rooms for veterans.

An occupational survey was also conducted of the sixty-five industrial and business establishments in the town. As a result of this survey we have on file a list of every job opportunity in Millbury; and have established a local employment bureau to aid Veterans seeking employment, and management when in need of employees.

I wish to express my appreciation for the co-operation given me, in the past eight months, by all Town Officials, my Advisory Board, and the Town's people in General.

Respectfully submitted,

JOHN M. HAMILTON,
Director.

Report of School Committee

To the Citizens of Millbury:

Your School Committee submits herewith its annual report for the school year ending December 31, 1946.

Extensive repairs were made on the various school properties during the past year. Details of these repairs and improvements which amounted to a total of \$16,805.51 are found in the report of the Superintendent of Schools. Of the total amount, \$10,000 represented a special appropriation voted by the citizens of the town, and \$6,805.51 was applied from the general school funds. We have thus made a good beginning on the three year program of repairs.

The net cost to the Town for the operation of the school system was \$119,431.01. The State refunds to the Town and tuition received from out-of-town pupils attending our schools amounting to \$12,396.88 made it possible to keep the cost of operation at this relatively low figure.

During the year Miss Alice Sweetser retired after fifty years of devoted service to our school system. Miss Sweetser's entire teaching career was spent in the Millbury schools, and hundreds of the town citizens recall with deep gratitude her untiring devotion, selfless application, and kindly interest in the early years of their training and education. The School Committee wishes to express its sincere thanks to this inspiring teacher for her half century of service to our schools.

The detailed financial statements for the year follow:

SPECIAL APPROPRIATION STATEMENTS

Assumption School Fund

Appropriation	\$4,000.00
Rental	4,000.00

Windle Field Fund

Appropriation	\$1,000.00

 School Committee

Report of Superintendent of Schools

To the School Committee:

I respectfully submit my tenth annual report and the fifty-seventh in the series of reports of the Millbury School Superintendents.

As a result of the dislocations of the war years many problems have confronted the school systems of the country. These problems concern the faculties, the student bodies, and the physical plants of the schools. Especially in the smaller school systems it has been difficult to secure and retain qualified teachers. Teachers in the smaller systems naturally gravitate toward the larger cities where better pay and broader opportunities are the inducements. In our schools we have tried to counteract these tendencies by keeping the salary schedule reasonably in line with increased living costs. No doubt, too, the discipline and spirit of work and study among the students, the cooperation which they receive from school authorities, and the friendly and appreciative interest of the school committee, have had much to do with solving our own teacher problems.

Among our students we find little change as a result of the war years. In spite of the fact that many of them have known only the present era of high wages and plentiful money and the consequent inducements to give up study and schooling, there has been no pronounced lowering of standards of scholarship or study. Fundamental good sense has led the majority to determine to complete their education, and to get as much out of their school years as possible. We are confident that the money which the citizens of the town invest in the school years will continue to pay the dividend of solid citizenship which it has in the past.

During the past few years we have been able to make only essential repairs as far as the physical plant of the school system is concerned. Less necessary improvements and repairs had to be postponed, and we were faced with the problem of putting the buildings in first class condition. The following repairs and improvements were made:

In the High School: New oil burners and a new type power system were installed. Extensive repairs and renovations to the plastering and painting throughout the building, and an entire new ceiling in Room I were completed. A large new athletic locker designed to take care of all athletic equipment of the school was constructed in the high school gymnasium. Exterior repairs included copper flashings for all windows and doors, new doors, roof repairs, concrete walks and gutters, and a fire escape.

The Junior High School: New stair treads were installed throughout the school.

The Grammar Schools: The toilet rooms of the Providence Street School and the Burbank School were thoroughly renovated. In the Providence Street School it was also necessary to provide new front doors, remove a vestibule partition, and repair the window frames. New stair treads were installed in the Burbank School, the foundations of the building were reinforced, the exterior walls repaired, the entire exterior of the building painted, the fences rebuilt, and a new water main laid. At Dorothy Manor and East Millbury, stair treads were installed and minor repairs made. At West Millbury the cupola was removed, and the exterior walls repaired

and painted. The fence of the Industrial Arts building was repaired and minor repairs completed.

The total cost of these repairs was approximately sixteen thousand dollars.

HORACE MANN PUPILS.

The following is a list of the Horace Mann pupils in the Millbury High School:

Leone Budreau
Gloria Goulet
John Hayes
Maxine Reade
Joan Shea
Marjorie Taylor

RETURNED FROM SERVICE

Name	School	Date
Alice Donohue	High	Nov. 12, 1946

The extensive repairs accomplished this year required an unusual sacrifice of time and effort on the part of the School Committee. Long hours were unselfishly devoted to planning the most economical use of the money at their disposal. Their cooperation and valuable advice in all school matters helped to make what could have been a very difficult year a pleasure. To the teachers, and parents, and all who have contributed to the success of the school year we extend our sincere thanks.

Respectfully submitted,

WILLIAM D. SHEA,

Superintendent of Schools.

REPORT OF MR. STEPHEN BEATON, JR. HIGH SCHOOL PRINCIPAL

The attendance in the high school at the beginning of this school year was 350. This is an increase of fifteen over last year's opening figures. This increase is the result of a small graduating class of 63 pupils as against a large incoming senior class of 70, and not because of an increase in the number of pupils entering high school. Attendance figures in the intermediate grades show that only a slight change in the high school attendance can be expected for several years to come.

This past year we again experienced quite a change in the high school faculty. We lost the valued services of Miss Mary Marlborough, and Mrs. Gertrude Chase, who were military substitutes. Miss Mary Marlborough, who taught bookkeeping, office practice, and arithmetic, was replaced by Mr. Paul Lacouture, whom we welcome back after three and one half years' service with the United States Navy. Mrs. Gertrude Chase, who taught algebra, geometry, and advanced math, was replaced by Miss Alice Donohue, whom we welcome back after three years' service with the WAVES. Another veteran, Mr. Richard Kenery, we welcome back after three and one half years' service with the United States Navy. Mr. Kenery again assumed his duties as teacher of general science and biology; and Miss Margaret Marlborough, who taught these subjects during Mr. Kenery's absence, was transferred to the Sophomore English department. This latter change allowed the establishment of the much needed department of full-time guidance director, to which Miss Margaret Donovan, formerly of the English department, was appointed.

The Millbury High School has again been approved in Class "A" by the Supervisor of Secondary Education, Mr. A. Russell Mack.

Insomuch as Millbury High School was approved by the New England College Admissions Board until December 31, 1949, the following announcement was sent to my office on May 17, 1946 by William L. Machmer, Secretary, The New England College Admissions Board:

"Feeling that the colleges would be better served by a new and more inclusive organization consisting of admissions officers and secondary school representatives, the member colleges voted on March 23, 1946, to dissolve the New England College Admissions Board as of October 1, 1946.

Certificates issued by principals for admission to colleges this fall will be accepted in the usual manner. Thereafter recommendations to particular colleges will continue to have the same importance, but will not be limited to any particular group of specially approved schools."

The prizes, annually awarded on Class Day to the members of the senior class were presented to the following students: Miss Anne Young, the Washington-Lafayette Medal for the highest average in American History; Miss Betty Johnson, the Citizenship Award given by the Daughters of the American Revolution; Miss Blanche Caron, the Millbury Woman's Club Scholarship Award of one hundred dollars; Miss Anne Young, the Becker Junior College Scholarship Key, for proficiency in the commercial course; Alphonse Lacouture, The Rensselaer Award for proficiency in Mathematics and the Sciences. The following pupils received the Millbury High School Athletic Association Award: the Misses Ruth Boutilier, Blanche Caron, and Eleanor Fleming.

The French, Biology, and Science Clubs, under the able guidance of Miss Helen Brown, Miss Margaret Marlborough and Mr. Richard

Kenary, and Mr. Thomas McGinn respectively, resumed their club activities after a four year absence. Junior Red Cross, under the careful superintendence of Mrs. Harris Rice, carried on the very fine work it began during the early part of the war.

The Reflector and Reflectorette, under the excellent supervision of Miss Margaret Marlborough and Miss Kathleen Burns respectively, continued to be published with the same high standards of previous years.

Our athletic teams, both the boys' teams under the fine leadership of Mr. Martin Roach, and the girls' team under the fine supervision of Miss Mary Sullivan, experienced successful seasons. In behalf of our athletic teams and myself, I would like to thank Mr. Windle of the W. W. Windle Co., and Mr. Lund of the New England High Carbon Wire Co. for their interest in Millbury High School athletics.

The percentage of attendance in the high school for the past school year was again over the 95 per cent mark, which is in no small way attributable to the interest of the parents, and for which we are very grateful.

REPORT OF MISS MARY SULLIVAN, SUPERVISOR OF PHYSICAL EDUCATION

The Physical Education program is necessarily the same as last year, since no new equipment or improvements have been added.

Most of our time and effort is concentrated on the high school girls because, for the majority of them, this is their last contact with a directed physical program. After high school, their physical activities will be limited to their work and an occasional participation in a recreational activity. By means of strenuous exercises, we endeavor to build strong and agile bodies; by means of games and sports, we endeavor to build up cooperation, acceptance of authority, and consideration for one another.

All girls have the opportunity of "trying out" for the Field Hockey and Basketball teams. In the Fall, we had a group of thirty girls meeting three afternoons a week for Field Hockey; in the Winter, twenty girls for Basketball.

The junior high school girls maintain a similar program with exercises which are less strenuous and games and drills which prepare them for Field Hockey and Basketball.

In the elementary grades, each child is examined individually for posture defects; when necessary, corrective exercises are given for the child to do at home. Occasionally, an extreme case is found; then, the parents are notified by Miss Stafford and the recommendation is made that the child see his family physician or an orthopedic specialist.

With more equipment and better playground areas throughout the town, a great deal more could be accomplished.

REPORT OF MISS ROSE M. MASSEI, SUPERVISOR OF HOME ECONOMICS

It would seem that when girls get to the seventh grade, they should learn a little about sewing and cooking—at least enough to be of use in taking care of themselves and their future home. This is now recognized as an important phase of education in all school systems.

It is unfortunate that we have no facilities for teaching cooking but we do start the sewing class in the seventh grade. In this grade all the basic hand stitches they learn are applied to the articles they are going to use during the school year. Toward the end of

the year, the running of the sewing machine is taken up—how to thread it, take care of it and handle the many parts.

When they reach the eighth grade all sewing is done by machine. Here they make lingerie, slips and simple cotton dresses. While making these garments they learn to buy, use and alter a commercial pattern.

In high school the course is elective and credit is given for each period. The work is naturally more advanced but by now the girls have had enough experience to handle more complicated patterns and use costlier fabrics. A conference as to choice of colors, patterns and fabrics is encouraged before each garment is started. In this way they will acquire a knowledge of clothes best suited to them.

REPORT OF MR. WILMAR H. ELA, SUPERVISOR OF INDUSTRIAL ARTS

The subjects taught in the Industrial Arts Department are Woodwork and Home Mechanics for junior high school boys, and Woodwork and Mechanical Drawing for students in the high school.

Junior high school boys are taught manipulative skills through the use of the basic hand tools and simple machines. Projects or jobs, are selected for their instructive qualities as well as their usefulness about the home.

The individual project method is used for teaching high school pupils. This method enables students to lay out and set up each step of his project.

Safety in the school shop has long been the theme of this department and is taught and enforced diligently.

Mechanical Drawing, as taught in the high school, includes problems in freehand sketching, isometric drawing, orthographic projection, inking, tracing, and blueprinting.

REPORT OF MISS KATHERINE M. BOWE, SUPERVISOR OF MUSIC

Through the medium of radio, an understanding and appreciation of good music has become more general. Musical growth from Rote singing to part singing is an important factor in the mental, physical and social attitude of the individual.

From Rote songs in the first grade through syllables in the second and third; part singing in the fourth, and theory, with more difficult part songs, in the fifth and sixth grades, the children receive a thorough foundation and knowledge of the art. Music is a vital part of the daily program.

Each elementary school is visited every three weeks. The seventh and eighth grades have music only one period a week. This is a rather unfortunate as the knowledge acquired in the elementary grades is gradually forgotten, thus necessitating a general review in the high school.

In the high school, Freshman Chorus is held in the assembly hall third period every Monday during the first semester. The second semester is used by seniors for a general musical review and the preparation for graduation. A Glee Club of seventy-five girls' voices rehearses every Tuesday during third period. These girls are greatly interested in the singing of good music in true harmonic form and each year bring credit to themselves at graduation.

The cooperation of the teachers has greatly aided in the improvement of the standards of music in the schools.

REPORT OF MISS FLORENCE M. SCARPACI, SUPERVISOR OF ART

The general aims of the art course are: to develop the creative imagination through the planning and making of that which is beautiful; to acquire art knowledge; to establish standards of taste—personal, domestic and civic; to give opportunities which will be productive of joy throughout life and give resources which will lead to more worthy and happy use of leisure time.

The work in the elementary grades is planned to give the children training in the fundamental principles of design, color harmony and drawing; to develop habits of orderly thought and good taste; to develop accuracy and neatness in handling the materials. The media used in the elementary grades is crayon. However, since the new supplies have arrived, water color has been successfully introduced into the sixth grades as an added media.

In the junior high more opportunity is provided for creative expression. The principle of design, unity and consistent arrangement are emphasized.

For Christmas the eighth grades are designing and decorating wooden bowls, tie racks, pot holders and bracelets under the very capable supervision of Miss Leary.

I wish to express my sincere appreciation to Mr. Ela for his splendid cooperation, and to the boys in the Manual Training classes who made the wooden articles for the Art department.

Vocational interest in art is present among the students in the senior high school. They are interested in technical training and like to undertake projects which will develop their skill in drawing the human figure, in creating original decorative patterns and in lettering.

For Christmas the pupils are stenciling guest towels and Christmas cards; some are making cork purses; others are decorating wooden articles and painting floral designs on mirrors.

Pencil, crayon, charcoal, pastel, tempera and water color paint make up the media used in the senior high school.

REPORT OF DR. ARTHUR A. BROWN, SCHOOL PHYSICIAN

The several school buildings have been visited and inspected. The annual examination of the pupils in all schools has been completed. A number of children were given first aid during the school year for contusions, abrasions and minor cuts.

In cooperation with the Board of Health and the District Nursing Association, the first injection of diphtheria toxoid for immunization against diphtheria has been administered to over four hundred school and pre-school children. Two other injections at monthly intervals are to be given. Since the first immunization clinic was held several years ago, there has not been a case of diphtheria in the schools.

REPORT OF MISS MAY A. STAFFORD, R.N., SCHOOL NURSE

The health of our school children throughout the year has been excellent. The annual physical examinations have been completed and a notice of any defect found will be sent to the parents.

Home visits are made after the notice is sent to explain ways and means of correcting these defects and to urge the parents to consult their family physician.

The following list of defects were found in grades one through twelve:

Hypertrophied tonsils	105
Enlarged glands	10
Carious teeth	350
Thyroid	2
Heart cases	40
Foot trouble (arch)	155

CLINICS

The Dental Clinic sponsored by the Board of Health and in charge of Dr. M. M. Hennebery is held once a week. We are grateful to Dr. Hennebery for the use of his office and equipment. Twenty-five clinics were held from January 1 to November 24 and the following work was completed:

Permanent fillings	257
Temporary fillings	5
Prophylaxis	40
Treatments	6
Extractions (permanent)	2
Extractions (temporary)	12

The teeth of all children from grades one through six are examined and parents are urged to take their children to their family dentist. This plan is working very well.

Pre-School

Four pre-school clinics were held in May and June. Seventy-three children accompanied by their parents attended these clinics.

Vision

The annual vision test has been given and there are no cases of defective vision that have not been given attention. Five children were given eye examinations by a specialist and fitted to glasses through the eyeglass fund.

Speech

Fourteen children with speech defects attend the clinic at Worcester City Hospital. They have Miss Beatrice Smith of the State Department as their instructor.

Diphtheria Immunization

Dr. A. A. Brown gave the diphtheria toxoid to approximately 500 school and pre-school children. These children will be given three injections one month apart. There are very few of our school children who have not been given this protection.

Four boys were selected to spend eight weeks at Sterling Health Camp. The sale of Christmas seals and pins made this possible. The Southern Worcester County Health Association sent an X-ray Technician to the high school and pupils in the Sophomore, Junior and Senior classes responded nearly 100%. Fifteen teachers were also X-rayed. This service was without charge. All X-rays were negative.

The routine work was carried on as usual to keep our school children in good health. The importance of cleanliness, and the value of wholesome food is emphasized. A constant check-up is made of heads and we find that this condition has improved.

During the course of the year 480 calls have been made to the homes, 75 children have been driven home when they were taken sick at school, 300 have been given first aid, 10 have been taken to the doctor, and eight trips were made to Worcester clinics.

Graduation Class of 1946

GRADUATION PROGRAM
